### Security Funds Form

You would have received your approval letter for a Capital One® MasterCard.® Whether you no longer have your security funds form, misplaced your letter or just would like to send in additional funds to increase your credit limit – you’ve come to the right place.

If you don’t have your approval letter, just call 1-800-481-3239 and you’ll find out your unique Reference Number (please note, this is not your account number) and the amount of security funds you need to send in. Or, if you use Online Banking, just send us a secured message and we'll be happy to provide your Reference Number to you. When you have this information, just follow these three simple steps and you’ll be on your way to getting your Capital One MasterCard.

1. Print this page, fill out the form completely and include a money order or personal cheque.
2. Please write “Security Funds” along with your unique Reference Number in the cheque memo line (we’ve already started it for you with the zeros). Unfortunately, we won’t be able to accept post-dated cheques.
3. Mail your security funds form and cheque to:

**Capital One**  
P.O. Box 523, Scarborough Stn D
